

The Bank of England's got it in for us

Published: January 13, 2026, 10:06 am

I just posted this video on TikTok and YouTube:

<https://youtu.be/Pt-ow3mLgro?si=nqYx8iPEt4huC9Oc>

The Bank of England has never said it wanted to create a recession, a cost-of-living crisis and unemployment in the UK, but that is exactly what it is doing, but that is exactly what it is doing. Why is the government letting this happen?

I am aware that the embedding of this video has proved problematic. It can be found on [YouTube here](#).
