

The first Taxing Wealth Report 2024 podcast appearance

Published: January 12, 2026, 8:46 pm

The [Commonweal](#) think tank in Scotland is the first podcast broadcaster to get in with an edition featuring the Taxing Wealth Report 2024.

Craig Dalzell of Commonweal and I [recorded this session](#) on Wednesday afternoon. It is a pretty good introduction to what the report is all about, with a slight Scottish twist.

You can download and so [listen to this podcast here](#).
