

Venn diagrams for our times: the government we need

Published: January 13, 2026, 4:06 pm

This morning sees the return of what was once a favourite here: Venn diagrams for our times (which, for the purists are, I am well aware, not really Venn diagrams, and I don't care):

Venn diagrams for our times

X = The Tories

Y = Labour

Z = The government we need

Murphy.
