I [think this tweet](#) is so utterly appropriate:

 Dr Rachel Clarke  @doctor\_oxford ...

Flagging this @wesstreeting in sincere hope you will address as likely next health secretary.

The NHS has a duty of candour.

That has to come from the top down.

Spinning. Misleading. Misrepresenting truth to patients. All are completely unacceptable.

 Dr Rachel Clarke  @doctor\_oxford · 17h

I'm simply horrified to see @NHSEngland now literally breaking the law in how it misrepresents physician associates & other allied health professional - who are NOT doctors - to the public.

These posters are from the Bradford District & Craven Health & Care ...
