Watch this clip, including Trump speaking:

He [says, addressing Christian Nationalists](#):

*“Get out and vote. Just this time. You won’t have to do it anymore. Four more years, you know what: it’ll be fixed, it’ll be fine. You won’t have to vote anymore, my beautiful Christians.... Get out, you’ve got to get out and vote. In four years, you don’t have to vote again, we’ll have it fixed so good you’re not going to have to vote.”*

Is that the fascist announcing his intention to end democracy? It would seem like it.

Worry.
