

Policy and politics

Published: January 13, 2026, 3:10 am

I just posted this on Twitter. Tony Blair was speaking at 8.10 on BBC Radio 4.

@RichardJMurphy

Tony Blair said this morning that politics should be taken out of policy making. But, if politics is all about how we relate to, and care for, each other, what is the consequence of what he is saying? Is it that we should take caring out of policy? It seems so, to me.
