

Funding the Future

On Politics Joe

Published: January 13, 2026, 10:07 am

I was on the Politics Joe podcast yesterday:

<https://www.youtube.com/watch?v=MWKe8UzsbVM&si=1LQc6-IXdCZlqKrk>

This was an enjoyable exchange. If you do not want to listen to the whole thing, my part starts about 30 minutes in.

I was also on the Jeremy Vine show yesterday, which involved an exchange with one of the usual mad right-wingers who hates everything about government that they always seem able to find. That is available here soon after the [start of the programme](#).
