---

Danny Blanchflower and I had a discussion today, with both of us noting that we've been in demand from the media. I did the Jeremy Vine Show on Radio 2 this lunchtime, for example.

Neither of us have a clue what Rachel Reeves is doing. It makes precisely no sense.

Danny tweeted this after we spoke:

**Professor Danny Blanchflower** economist & fisherman ✓  
@D\_Blanchflower

...

The Mile End Road economists are back on the case [@RichardJMurphy](#) and I are going to fight tooth and nail to oppose evil reckless austerity. There is a strong economic basis for investing in social care schools libraries [@nhs](#) and we plan to make that case. Just watch us go
