

# Funding the Future

## It gets worse....

Published: January 13, 2026, 3:36 pm

---

Trump has gone for the Green New Deal.

Now, so too is Europe:

Von der Leyen builds bonfire of EU's environmental red tape [Inbox](#)

### **POLITICO** Must-read

#### **Von der Leyen builds bonfire of EU's environmental red tape**

Brussels hopes simplifying green compliance rules will boost Europe's flagging economy. Green groups fear something more sinister.
