

Jonathan Pie: so close to getting things right, but no...

Published: January 13, 2026, 11:54 am

Jonathan Pie on the economy, posted yesterday.

I really should fisk this: he does need to know how it really works if he is going to be such an influential commentator. We might have to look at making a video on that because he does get the government spending cycle entirely wrong whilst making a lot of sense otherwise:
