

The battle for the rule of law is on

Published: January 13, 2026, 5:29 am

This is [why we need the rule of law](#):

Marine Le Pen barred from running for French presidency in 2027

Far-right leader found guilty of embezzlement of European funds and immediately barred from running for office

If we lose the courts and the rule of law, this cannot happen.

Trump knows that, of course.

We need to watch very closely what happens in the [Wisconsin Supreme Court election](#) this week. The battle for the rule of law is on.
