Sometimes an article just needs to be read.

[This is one of them](#), and yes, it is in The Guardian.

I think its author, Dr Johnny Ryan, is right:

Europe's race to rearm is pointless if its
adversaries are waging war online

Ireland holds the algorithm off-switch. Ursula von der Leyen
must force Dublin to use it

Fascism does not arrive in a military uniform.

It used to arrive in a suit.

Now it appears online.

We need to wake up to that very fast.
