

## Funding the Future

# The cult of Nigel

Published: January 13, 2026, 3:29 am

---

I am not a fan of Robert Lowe. But he is right when he says Reform is 'the cult of Nigel'.

Rupert Lowe, "I think Nigel Farage is running a cult"

"It's the cult of Nigel"

"Anyone who basically has different opinion is effectively expunged from being a threat to the cult"

"I've concluded that Nigel is a narcissist, a cultist, he puts Nigel ahead of everything"

This is BlueSky, [so you can click here](#) and watch the video without guilt.

If, as I suspect, Lowe is right, my suggestion that reform will implode will come true:
