

Funding the Future

This is a weird one

Published: January 12, 2026, 10:52 pm

Over the last five days, I have had more than 200 new followers on Substack.

There is something a little weird about this. [I do have an account there](#). I have never published on it:

Now I have a problem. How do I meet expectations?

I have an idea, but it might need a team expansion.

And that's under discussion....
