I thought [this Tweet](#) was particularly appropriate right now. Maybe Wes Streeting would like to stop living by dual standards:

**Dr Steve Taylor**  
@DrSteveTaylor

🔗 ...

As a GP, I am not allowed to receive a pen or post-it note pad from a pharmaceutical company rep

Govt banned them in case I was influenced to prescribe medications

This should also be banned

Influence being bought in Govt

Patients should influence not the healthy & wealthy
