

Should we tax the rich

Published: January 14, 2026, 6:18 am

I was sent this video to review by its creator this week. I know who he is.

I offered comments to him, but also asked if I could share it here.

Presume that this is something like the half hour documentary that you would like Panorama to produce on wealth taxes, and give it a view over the weekend. In think it's worth it.
