

Funding the Future

Looking for economic reality to set in

Published: January 13, 2026, 1:35 am

This video has just been released in the States. The interview was recorded last week.

The cover picture came from the dark ages of our channel, taken during Covid lockdown.

I was interviewed by [Jack Farley of this channel](#).

He gave me the time to explain my ideas: that is all I can ask for.

Jack can also be found on Twitter.
