

## Markets are shrugging their shoulders

Published: January 12, 2026, 8:50 pm

---

Slightly to my surprise, given that Asian markets fell overnight, the FTSE 100 has opened flat this morning.

So far, markets seem to have shrugged [off the crypto collapse](#) over the weekend.

I warned that was possible.

It does not mean tha the correction is not coming. I think that is inevitable.
