Our event in Cambridge on 28 February 2026 is now open for booking.

The [link is here](#).

Thank you if you decide to attend.

Bookings are, I am afraid, on a first-come, first-served basis, although we will be holding a few tickets back for regular commentators on the blog who wish to take part and miss this moment, presuming we sell out, of course, about which we have fingers crossed.

There are three things to emphasise:

- \* The discounted rate for young people is £30. They are those aged 18 to 24.
- \* People under 18 can only attend with an adult for safeguarding reasons.
- \* There is a discount for those of retirement age or on benefits, but please only use it if it is appropriate.

I look forward to seeing you there.
