Simply Red got this right a long time ago now:

The lyrics are:

---

- I been laid off from work.  
My rent is due.  
Brand new shoes.
- So I went to the bank  
To see what they could do.  
They said, "Son, looks like bad luck  
Got a hold on you".
- Money's too tight to mention.  
I can't get an unemployment extension.  
Money's too tight to mention.
- I went to my brother.  
To see what he could do.  
He said, "Brother, like to help you  
But I'm unable to  
So I called on my father, father.  
He said
- Money's too tight to mention.  
On money, money, money, money.  
Money's too tight to mention.  
I can't even qualify for my pension.
- We talk about Reaganomics  
On the radio, in the Congress  
From down on Capitol Hill (we've tried them)
- Money's too tight to mention.  
(Spoken) Cut back  
Money, money, money, money.  
We're talkin' about money, money.  
We're talkin' about money, money.  
And that old man that's over the hill.  
Now what are we all to do  
Money's too tight to mention  
Money's too tight to mention  
Money's too tight to mention.  
Amero-money, oh yeah.

We're talkin' about money; money;  
We're talkin' about money; money;

But, whatever happens, true socialists demand that the working class must not be told [there is a solution to all this](#).

That would, after all, undermine the struggle.
