With Christmas and New Year well and truly over, it seems like a good time to remind you that we are holding an in-person event in Cambridge on 28 February 2026, which is now open for booking.

The booking [link is here](#).

Bookings are going well: we're covering direct costs now. However, we still have plenty available if you're interested in coming from 12.30 to 5.30, with three sessions: one on the current state of the economy, another on how bond markets work and why we need them, and a final session called "Ask me anything (within reason)".

There are three things to emphasise:

- \* The discounted rate for young people is £30. They are those aged 18 to 24.
- \* People under 18 can only attend with an adult for safeguarding reasons.
- \* There is a discount for those of retirement age or on benefits, but please only use it if it is appropriate.

I look forward to seeing you there.
