

Worry

Published: January 12, 2026, 11:06 pm

[More in Common](#) has a new opinion poll out. It is not encouraging.

This is the seat breakdown.

| Party | Seat count | Change from 2024 result | Vote share |
|--------------|------------|-------------------------|------------|
| Reform UK | 381 | +376 | 31% |
| Labour | 85 | -326 | 20% |
| Conservative | 70 | -51 | 21% |
| SNP | 40 | +31 | 3% |

All the usual caveats apply.

But worry, nonetheless, not least because there remains no sign that Labour will take any action to improve our electoral system.
