

Don't doubt it: fascism has support in the UK

In light of my piece [published this morning](#) on Robert Lowe's Restore Britain and its profoundly racist and toxic views, this opinion poll's findings are worth noting:

NEW: A new poll shows Rupert Lowe's Restore Britain would get 10% of the vote

Party	Support (%)
Reform UK	25%
Green Party	20%
Labour	15%
Conservatives	13%
Restore Britain	10%
Lib Dems	10%

Lowe gets 10% support.

Some of that came from Farage.

Some from the Tories.

Together, these three toxic parties have 48% support.

Do not doubt that fascism is possible in this country.

Politics in the UK is now about the quite literal fate of millions.
