## **What we want now**

---

**A written constitution**

**An end to monarchy**

**An elected head of state**

**A House of Commons elected by proportional representation**

**An elected, regionally representative Senate**

**State-funded political parties**

**A ban on corporate donations**

**Strict limits on individual donations**

**Proper regulation of think tanks and lobbyists**

**Proper controls on the media**

**An end to the honours system**

---

**We need democracy without privilege**

**Politics for people**

**Funding the Future**
