

# The Bored of Peace

Published: March 8, 2026, 11:52 am

---

The so- called ' Board of Peace' is currently waging war with:

- Iran
- Lebanon
- Ecuador
- Venezuela
- Cuba

This has provoked responses involving:

- Saudi Arabia
- Iraq
- Iran
- Oman
- Kuwait
- Qatar
- Cyprus

So much for this Board of Peace. The reality is they are Bored of Peace, as mayhem and confusion suits their tyrannical goals. In fact they are their goals.
