

## A South Dorset Funding the Future group?

Published: March 13, 2026, 7:44 am

---

Long-term contributor to this blog, Nigel Hargreaves, who lives in South Dorset, would like to know whether anyone in that area is interested in joining a local Funding the Future group.

He has a free venue available for a meeting, which can accommodate 30 or so.

If anyone in the area would like to participate, please comment here in the first instance, or email me ([contacts are here](#)), giving permission to pass on your email address to Nigel.

No other details will be sent, nor will they be sent to anyone else.

Nigel is knowledgeable about MMT and once helped organise a Positive Money group in Bournemouth, but has seen the light.
