## The rainbow coalition is on

Savour this, based on this morning's YouGov poll results, already mentioned once:

### Westminster Voting Intention:

- RFM: 23% (-1)
- GRN: 21% (+4)
- LAB: 16% (-2)
- CON: 16% (-2)
- LDM: 14% (=)

It's just 1 poll (for now) - but here's how it plays out in the Nowcast Model:

- RFM: 227 (+222)
- GRN: 135 (+131)
- LDM: 92 (+20)
- CON: 59 (-62)
- SNP: 48 (+39)
- LAB: 40 (-371)
- PLC: 20 (+16)
- Others: 10 (+5)

There is no right-wing majority in this. There is only a rainbow coalition.

Game on, as the saying goes. And no one can say they are not playing. They have no choice.
