

Will I see you in Edinburgh?

Now the Cambridge event is over (although I still owe people some emails - and please forgive me if I have not written as yet), it's time to promote my next event. This is with Scortnomics on 21 March:

Specifically, I am doing this session:

I gather that around 100 people have booked, leaving around 50 tickets available. Has

one of them got your name on it?

Look at the whole festival, too. It takes place in Edinburgh over the 19th to 21st March and is a unique, public-facing celebration of economic thinking designed to challenge, inform, and inspire. The full programme and tickets can be found here: www.scoteconfest.org.
