## Trump is insane

Published: April 13, 2026, 9:23 am

From Trump's social media account this morning (I checked):

So we now know Trump thinks he is God.

Let's cut to the core of this, although lots of other things could be said: Trump is quite clearly insane if he can permit images like this to be published. He is not God, but thinks he is. The time for the US to remove him from office has arrived.
