

Do we need to raise tax?

Published: July 26, 2026, 6:37 am

I am on LBC Radio with Matthew Wright at 8 am this morning. I have been asked to discuss whether Andy Burnham's plans for extra state spending, nationalisation and more will require additional taxes. The framing is that of the household analogy. I am bound to be on with someone else. No doubt they will be claiming that the analogy is true. This could be fun.
