

Just suppose.....

Published: July 9, 2026, 6:24 am

A strange little chain of thought for this morning. Suppose:

- * [Arthur Fery](#) wins Wimbledon
- * England win the World Cup
- * Count Binface wins Clacton-on-Sea

Impossible? No.

Unlikely? Yes.

I am believing the unlikely, right now.

And the unlikeliest of these three?

England winning the World Cup, I think. But even that is possible right now.
