

Funding the Future

Why tax?

Published: August 13, 2026, 6:57 am

Ever since I wrote my book '[The Joy of Tax](#)', I have argued that there are six reasons to tax, none of which have anything to do with raising revenue to fund central government in a country like the UK.

Getting this on an infographic took some work. I hope I have succeeded. Please let me know:

How to expand this image

If you press CTRL or Command and Plus (+) on your keyboard, your browser should increase the size of your page every time you do this. Press CTRL or Command and the 0 (zero) key together to restore the screen to normal.

How to download this image.

If you right-click the image, you should be given the option to download it to your computer. It is much easier [to download it from our image library](#).

The image library

We have a library of these images. It is [available here](#). **All downloads are free, but donations help our work.**

AI use

I wrote this infographic. I used AI to draw it, under my direction, until I was satisfied with the result (which took many attempts). I explain how I [use AI here](#).
