At long last, The Finance Curse film is out.

The official launch is on Thursday evening, but it is now available to view by following this link.

This is the full version of the film.

If you want to arrange a public viewing of the film, with a discussion, John Christensen is hoping to do as many of these as he can. Leave a comment below, and I will share your email addresses with John.

I stress, I have not seen the film yet. I hope to do so this coming weekend.
